Teaching Intensive Research Informes

Off Campus Division

PROFILE

- Positioning ourselves as a distinctive, responsive Professional University providing excellent teaching research and non-research services
- In the most recent QAA audit the University was commended for "the responsiveness and support demonstrated by the University to its collaborative partners and students;
- National Student Survey Top Ten in the UK
- 10th highest in the UK for spending on students facilities (HEFCE)

QUALITY STANDARDS

- Programme developed and reviewed with reference to National Benchmark Standards
- Assessments set and marked by University of Bolton academic staff
- External Examining Monitoring

Teaching and Learning Quality

Our teaching quality has consistently won the highest ratings possible from the Government's quality control agency, and this is why over 80% of all our students secure employment when they finish their studies, and many of them receive prizes and recognition at national level in their subject areas including business and management, art and design, textile, and engineering.
